Detailed Instructions on how World Finals Pin Sales will be handled around the Champions Meeting.

----- **Initial Order phase - Order process** -----

The initial order process is to sell the pins/WFs T-shirts/light-up gear available to the Worlds Finalists and is normally filled at the Champs Meeting and taken home, however this year the Champs meeting will be hosted on-line so the World Finals Sales process will be independent of the Champs meeting.

Order forms this year will be emailed to the Coach for teams advancing to World Finals. Coaches can get forms and pin details on the NYOdyssey web site at (www.nyodyssey.org/world-finals/wf22teams) anytime during the sales period. Coaches need to send their order forms to Jeff Carter (WFSales@NYSOMA.org) by Friday April 15th. Each order has both “initial” order quantities plus additional quantities requested. We reserved inventory to fill the initial order requests. Additional quantities of pins and pins with no “initial” quantities are filled on an as-available basis. Where we run-out we will evenly divide remaining pins across the orders received. Payments for orders will be collected when orders are picked up. Payment can be cash, check and by credit card. After the initial orders are received, all remaining pins sales are on an as-available basis, quantities are limited to available stock so we encourage everyone to think about their needs and purchase the pins they want before going to World Finals. The order pick date will be Saturday May 7th at a central location where team representatives can meet us to pay for and pickup orders. Special arrangements can be made to have an order shipped, but the team will be responsible for the shipping costs. Teams may wish to group together for one region or area and send one car to pickup orders.

You may send additional pin orders by email up thru May 6th to satisfy any additional orders the team may have. Pin orders should be emailed to Jeff Carter to confirm remaining stock. Orders will be pulled and set aside until payment is received. If there are still pins remaining, we will bring them to World Finals to sell them at a couple of predefined sales times that we will determine in May.

----- **Sales @ World Finals** -----

Some pin inventory will be brought to World Finals so if teams find they do want more pins, we will have some to provide. There will be 2 sales meeting times that will be about 1 hour in duration each. Contact information will be provided to Coaches so they can confirm details for when and where these sales meetings are. This detail will also be on the NYSOMA website (www.nyodyssey.org/world-finals/wf22teams). Sales at World Finals are cash or check only. Only limited pin inventory will be shipped in. We encourage teams to think about their needs and purchase what is needed before they travel to Worlds. Generally the sales events will be in the evening of first 2 days of competition from roughly 7:30 to 8:30 in the evening. Each will be generally located in a lobby area of the hotel where the officials are housed. Again, these times and locations will be confirmed much closer to World Finals.
